Our **TRY COMEDY taster evenings** are happening as a result of requests from people who are keen to enrol but want a taste of our comedy courses first.

So come along to find out for yourself about of the frequently recommended **Absolute and Almost Beginners Comedy Course** in one of Amused Moose Comedy's London venues in central London. If you are interested in our **Sketch+Character Comedy course** you'll be just as welcome.

You will meet our amiable, experienced course leader and professional stand-up comedian Luke Toulson, who will supportively encourage you to get onstage for your first taste of stand-up, sketch or character comedy, after picking up some performance tips. And of course you can ask whatever questions you have.

The session will be led by Luke Toulson who is a very experienced stand up comedian; his extensive comedy CV is [here](#). He has appeared on Russell Howard's Good News, and performs at the biggest and best comedy clubs here and abroad, including the world famous Comedy Store where he is a regular member of The Cutting Edge topical comedy team. Luke has written for comedians appearing on Mock The Week and Live at the Apollo, and has created and directed two Best Newcomer Nominated comedy shows at the Edinburgh Fringe.

If you want to find out more about our most frequent comedy courses in advance, or perhaps if you can't make it to this Taster Afternoon so would like to enrol quickly to avoid the chance of the course being full and then having to wait for another one to come along with dates which suit you, here is that information:
