ABSOLUTE AND ALMOST BEGINNERS COMEDY COURSE

led by MARKUS BIRDMAN on SUNDAY AFTERNOONS in central London

This course will introduce you in a fun, friendly and supportive environment to the exciting world of stand-up comedy.

Unlike most comedy courses, ours are led by current headline comedians who regularly perform at the biggest and best comedy clubs in the UK and abroad.

We also limit the numbers on each course to 12 to ensure each of you gets loads of individual advice and support.

During the course you will learn how to:

- Create comedy routines.
- Write jokes using a variety of structures.
- Properly use a microphone.
- Give a great first impression.
- Connect with your audience.
- Deal with nerves and hecklers.
- Perform confidently on stage.

The course is led by Markus Birdman

Markus is one of stand-up's most respected awardwinning British comedians, much in demand in the UK and around the world. A career highlight was finding himself sharing the stage with Jerry Seinfeld when compering the Comedy Store.

"Uniquely talented, demonstrates just how it's done": Evening Standard

"Birdman is the all-round package; witty, controversial, hip, topical, silly. A master of timing and physical comedy, he made me laugh so hard it hurt": BBC

Because there is nothing as good as a recommendation, here are some recent ones about this course:

"You learn stagecraft, how to write a joke, how to make it funny, and how to stand up and deliver that joke so that people laugh. It's magical."

"I have been on several stand up comedy courses but this is the best, and because we had plenty of practice with a mic it was possible to achieve the steep learning curve."

"The graduation showcase was huge fun, where you can actually be a stand-up, with an audience and everything. You don't have to do it, but honestly, you'd be depriving yourself of a highlight"

"I thoroughly enjoyed working with such an enthusiastic tutor in Markus, who is a quite superb teacher"

"For me it's all about the delivery, and Markus has given me so much advice and been incredibly helpful. Everything is going amazingly well"

"I really enjoyed the course. Markus managed to make us all funny in a comfortable environment. My 6th gig is tonight - I love it!"

"Markus is superb, and not just with the feedback and input he provides. An incredible, amazing, thoroughly enjoyable course, that I certainly recommend"
